

Team Roster

This roster will be used to keep track of tournament bracket and can be filled out at check-in. A team consists of 8-12 players, ages 7+, with at least 4 of each sex. Every participant needs to submit the Registration & Medical Release Form (preferably at diocesehelena.org/kickball).

Individuals are discouraged from registering. In the case that you do not have a full team or have extra players, you may register individuals as "Free Agents," and they will be assigned a team on the day of the tournament.
